CLEANING & CARE

This product is made from 100% baby llama wool - a self-cleaning fiber that requires less washing than other materials. Simply air your product at first. If the need to wash it arises, hand wash is recommended at 30 degrees using high-quality soap. Soak the product in water for 10 - 15 minutes before rinsing it in 30 degrees water. Avoid twisting or pressing the water out. Let the product dry flat.
