## INTRODUCING THE DOZE LOUNGE CHAIR BY ANDERSSSEN & VOLL—MUUTO’S FIRST GRAND LOUNGE CHAIR

As the first grand lounge chair by Muuto, the Doze Lounge Chair arose from a desire to create a design with a modern expression, referencing the ideas of Scandinavian design with hints of 1970’s design for a contemporary perspective on the archetypical lounge chair. Designed by long-time Muuto collaborators Anderssen & Voll, the design has a contemporary expression through the vibrant lines and folds of its large back and armrests, giving personality to the design alongside added comfort and shelter for its user.

With slender legs in embedded steel for a light, hovering expression, the Doze Lounge Chair translates the archetypical lounge chair into a new environment, enhancing the eclectic silhouette of the design. The Doze Ottoman can be added to the lounge chair, echoing the clear and contemporary lines of the Doze design, making a perfect addition to the lounge chair.

The Doze Lounge Chair works well in spaces that serve the purpose of socializing, whether it be lounge areas, private homes or hospitality projects. Use the design on its own or pair it together with the Doze Ottoman for extensive comfort. Both the lounge chair and the ottoman are available in a range of textile upholstery, allowing for customization to any home or professional space.

## ANDERSSSEN & VOLL ON THE DESIGN:

“Scandinavia has a long tradition of extensively comfortable lounge chairs; at the heart of our design heritage lies the versatile concept of comfort. As such, the idea of creating a grand lounge chair came very natural to us. The visual references of the Doze Lounge Chair are however derived from the modern and clear lines of the Golden Age in Danish design, while at the same time being informed by some of our favorite designs of the 1970’s. To us, the characteristically large and sheltering back that embraces the soft seat creates a combination of the Scandinavian design ethos and the lines of 1970’s objects in a way that we find truly refreshing.”
