

Beam Table Lamp

“The idea for the Beam Lamp came while renovating my childhood home. I had made a shelf to use as divider between the hallway and living room and needed a lamp that could at once throw light out into the living room and down the hallway. The Beam Lamp mimics a single ray of light that travels through a round tube with its dimmer allowing the user to change the volume of light omitted from both ends of the cylinder shape. Tweak the design to your personal needs through its rotating base and sleek body of anodized aluminum, whether it be as direct lighting or for an ambient glow.”

— Tom Chung

Designed by	Tom Chung / 2018
About the designer	Tom Chung is an independent industrial designer who established his eponymous studio in 2016. Based in Toronto, the studio maintains a focus on industrial objects and interior spaces. Forming a unique design process that combines contemporary culture and local industry, the studio creates context driven industrial design pieces for domestic, institutional and public environments.
Environment	Indoor
Country of Production	China
Preassembled	Yes.
Description	Beam Table Lamp is a versatile table lamp with a modern expression and intuitive user-friendliness. With light shone from both ends of a cylinder shape, the user can choose between three different volumes of light and gradually alter the volume of light emitted in each end through the turn of a playful dial. The Beam Table Lamp can be altered for any position with its rotating base and sleek body of anodized aluminum, whether it be as direct lighting or for an ambient glow in any home, offices, hotel room and educational areas.
Material	Body in anodized aluminum for a matte feel and vibrant look. Cord in PVC. It has a built-in energy efficient LED bulb. The lifetime of the LED bulb is defined as the time it takes until the light output/lumen maintenance reaches 90% (L90) of the initial output. The integrated bulb has a lifespan/lumen maintenance (L90) of 35,000 hours.
Cleaning & Care	Clean the Beam Table Lamp with a soft dry cloth only. Always switch off electricity supply before cleaning.
Light source included	Yes.
Dimmable function	Yes.

Beam Table Lamp

Dimensions

Height:	26,2 cm / 10.3"
Width:	18,7 cm / 7.4"
Depth:	8,7 cm / 3.4"
Diameter:	8,2 cm / 3.2"
Cord Length:	250 cm / 98.4"

Ready-to-ship

Black
Umber
Green
Aluminum

Lamp rating

Voltage	100-240V AC
Frequency	50/60Hz
IP Rating	IP20
Classification	Class II
Socket	2 x Integrated, non-replaceable LEDs. Input Max. 10,5W. Output COB 18V DC

Light source specification

Item	2 x Integrated, non-replaceable LEDs
Watt	10,5W
Lumen	425 lm
Lumen Maintenance	35.000h
Kelvin	2.700K
CRI	90
Dimmable	Yes
Risk Group	Except
