PLANNING MADE EASY

We have created an extensive selection of pre-designed planning ideas that serve the functional and aesthetic needs of a multitude of spaces. Simply load the CAD files directly into your spatial planning program, whether it be pCon.Planner (with OMFL data), Sketchup or Rhino to find the perfect solution for your project.

Explore the Muuto universe of colors and textures to create pleasant atmospheres within our color directions Vibrant, Earthy and Refined.

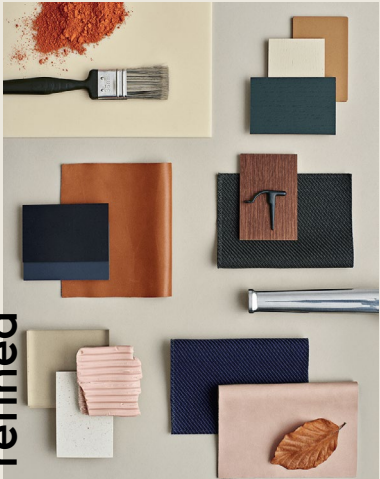

Bringing *fresh* and *playful* perspectives through contrasting materials and brightly *bold* colors

Softly inviting sentiments through *organic* materiality, tone-in-tone contrasts and subtle colors

Darker tones of *refined* elegance, paired with understated *hints* of color.
