

FLOAT CANDLESTICK

ANDERSSEN & VOLL ON THE DESIGN "Inspired by the Nordic tradition of cosy candlelight, Float is an elegant candlestick named for its sense of floating across the table. Its aesthetic shape was designed to give space and significance to the candle. Float candlesticks work well in groups, combing several colours to spread warm atmosphere in any room."

DESCRIPTION

An elegant candlestick and an elevated tray. Personalize the design by placing your favourite objects on the tray next to the candle. The candlestick fits a standard candle with a diameter of 2,3 cm.

PRODUCTION PROCESS

High pressure casting in aluminum and powder coated with heat resistant PU lacquer. Small silicone feet are attached underneath the candlestick to protect table tops or other surfaces from excessive heat, should the candle burn down and heat up the aluminum element.

MATERIAL

Cast aluminum

CLEANING AND CARE

Hand wash only. To remove candle wax, use hot water.
