

Linear Pendant Lamp

“The Linear Lamp Series is designed from the idea of creating smaller atmospheres through modern light, bringing a sense of intimacy to larger spaces. With their elegant expression, subtle details and inherent functionality, the designs create space for both being and working on your own as well as making for a friendly environment when in the company of others. Use the Linear Lamp Series in any space in need of modern, functional lighting.”

— Thomas Bentzen

Designed by	Thomas Bentzen / 2020
About the designer	Thomas Bentzen, former Head of Design at Muuto, started his own studio in 2010. Bentzen’s designs are characterized by simplicity, rationality and functionality — always firmly rooted in the Danish design tradition, material knowledge, craftsmanship and rational industrial manufacturing processes. His work continues to receive international recognition at fairs and exhibitions all over the world.
Environment	Indoor
Country of Production	China
Preassembled	Yes.
Description	The Linear Pendant Lamp is designed to create smaller atmospheres within larger spaces. The design features elegant lines and subtle details alongside its inherent functionality, making for a modern, functional light for any space.
