

Fiber Lounge Chair Seat Pad

“One of the most difficult and noble disciplines of design is to create simple, well-functioning and almost ordinary objects that nevertheless have a strong identity. We designed the Fiber Series to do just that through a clear sculptural language that refuses to compromise on comfort. It’s a chair stripped of all unnecessary layers. The iconic form marries soft, embracing curves with an innovative wood fiber composite, giving the Fiber Series a unique expression and tactile texture.”

About the designer

Iskos-Berlin is a Copenhagen-based design duo that has made international headlines within furniture, industrial and graphic design. The studio, formerly known as Komplot Design has collaborated with some of the world’s most prestigious manufacturers and their furniture, lighting and other design products are exhibited at numerous design museums around the world including MoMA and the Designmuseum Denmark.

Environment

Indoor

Preassembled

Yes

Description

An upholstered seat pad for the Fiber Lounge Chair, bringing added comfort to the design.

Material

Textile from Kvadrat. Leather from premium leather suppliers.

Cleaning & Care

Remove non-greasy stains by carefully dabbing with a lint-free cloth wrung out in clean, warm water. If necessary, clean by dabbing with soapy water. Visit Kvadrat.dk for further information on cleaning textiles. Clean leather with a dry cloth regularly. Treat the leather at least four times a year using only special leather treatment products.
