

Sway Throw

“Sway is a throw which, with its simple visual expression and clean, honest materials, will last many years. The throw’s timeless appearance makes it adaptable for many different surroundings and its refined, high quality wool places it between product and apparel. SWAY can easily be packed and used as a shawl when taken on a cool summer’s night. While in use the throw adopts a three dimensional form which has inspired me to twist the simple pattern into diagonal curves - like a sail drawing in the wind.”

Designed by	Tina Ratzer / 2017
About the designer	Tina Ratzer is a Danish designer with a degree in textile design and weaving, from the Design School Kolding, in Denmark. In 1999, Tina founded her own studio Ratzer, and since then her designs have been selected for several exhibitions, such as the Crafts and Design Biennale in Rundetårn, Copenhagen. Her work is characterized by a geometric expression and a balanced color scheme, with a twist or a surprising detail that lets the techniques of the craftsmanship step forward and become an important part of the work.
