

Dots Ceramic

“Dots Ceramic is an elegant and sculptural perspective on the friendly coat hook, echoing the ideas of fine craftsmanship. The design has a reactive glaze that gives each Dots Ceramic an entirely unique surface, making for an artful expression and refined touch while treating your clothes with the greatest care. Designed in multiple colors and sizes, the Dots Ceramic can be arranged in any pattern imaginable to express your personal taste.”

— Lars Tornøe

Designed by	Lars Tornøe / 2019
About the designer	Lars Tornøe has won several awards such as Designer of the Year in Norway and the Award for Design Excellence. His work has been shown at many international exhibitions and The Dots for Muuto was part of the formerly exhibition at the Danish Design Centre.
Environment	Indoor
Country of Production	Portugal
Preassembled	Yes - Mount to wall.
Description	The Dots Ceramic bring an artful expression to a Muuto icon, made in earthenware with a reactive glaze for a unique look, giving each single piece a distinct look while referencing the ideas of traditional craftsmanship. Combine the design across various colors and sizes along with the Dots Wood and Dots Metal for a unique expression.
Material	The Dots Ceramic is made from earthenware with glaze. The Dots Ceramic is made in an organic material. The surface is made with a reactive glaze, giving each single Dots Ceramic a unique expression. Slight color variations may appear as a natural characteristic of the design's materiality.
Cleaning & Care	Clean with moist cloth.
Spareparts	Dots Ceramic are sold with a French screw with M5 metric thread.
