

Workshop Coffee Table

“The Workshop Coffee Table is a design that is pared down to the essence. Deliberately simple in its expression, the table has an almost archetypal appearance that comes from a wish to make as little noise as possible—the details and joints are doing all the talking.”

— Cecilie Manz

Designed by	Cecilie Manz / 2018
About the designer	Cecilie Manz' work within furniture, glass, lighting, and ceramics has received international acclaim and is sold and exhibited all over the world. She is educated from The Royal Danish Academy of Fine Arts with additional studies at the University of Art and Design in Helsinki. Cecilie Manz founded her own studio in Copenhagen in 1998, and has since received numerous awards and honors for her work.
Environment	Indoor
Country of Production	Latvia
Preassembled	Black & Oak: Yes Versions with linoleum tabletop: No
Description	The Workshop Coffee Table adds a new perspective to Scandinavian design through a focal emphasis on traditional materiality, craftsmanship and detailing with its seamless integration of the design's table top and legs echoing the refined design language of Scandinavia. With an appearance that is at once light and elegant, the Workshop Coffee Table fits perfectly into any living room, serving as a traditional coffee table as well as side table.
Material	Frame and legs are made from lacquered solid oak. Black version comes in water-based lacquered oak. Oak version comes with a matte clear water-based lacquer. Table top with a lacquered oak veneer or linoleum finish. Oak veneer: slight color variations can occur due to the inherent characteristics of the material.
Cleaning & Care	Clean the table with a damp cloth. If necessary, only use a mild detergent or washing up liquid and not concentrated. Always wipe with a dry cloth afterwards. To minimize the risk of stains and marks, liquid, grease etc. should be removed straight away. For linoleum versions, linoleum care is recommended for optimum saturation of the natural material 2-3 times a year. It is recommended to clean linoleum versions with a damp cloth and a pH neutral cleaner and wipe dry to remove any residues.
